From the centre of Stockholm:

From the Central Station (Centralstation) take bus number 47. Get off at the **Tomtebodakarolinska Institutet** bus stop. This bus ride takes about 16 minutes. Walk along Tomtebodavägen following the same direction as the bus. At the crossroad, follow the street that goes up. You will find ECDC, a red big building, just in front of you. The main entrance has a drive way with the official ECDC flag. It takes about 5 minutes to walk to ECDC from the bus stop.

BUS & METRO TICKETS

It is not possible to buy a ticket on the bus; you need to purchase it before the ride. You can buy the tickets in newsagent stores such as Pressbyrån or 7-Eleven. Pressbyrån can be found at the airport and next to majority of underground and local train stations and in many other places. Also on many bus stops (but not all) there are ticket automats. For traveling within 1 zone (ECDC and central Stockholm are within 1 zone) you will need 2 tickets ("units"). A ticket per 1 unit costs 20 SEK. You can also buy 16 "unit" strips (Remsa) for 180 SEK. When you enter the bus, your ticket will be stamped, and it is valid for 1 hour after the stamp time (i.e. you can change transport, but do not have to purchase another ticket within one hour). More information can be found at <http://sl.se/Templates/SubStart.aspx?id=1906>

You can find schedule of bus 47 (and any other transport) on the bus stop or plan your trip at www.slm.se (available in English).
